

ACE Small Research Grant Fund

2005-06 Call for Proposals

The Association of Christian Economists UK (ACE) aims to promote discussion and research on economics and related topics from a distinctively Christian perspective. With this aim in mind, we are holding an annual competition for one or more awards of up to £500 to support research consistent with the aims of ACE. Proposals would be expected to support a small research project leading to an article worthy of publication in the ACE Journal. It is envisaged that grants might be requested in order to pay for direct research expenses incurred such as the hire of a student research assistant, travel or information costs. Applicants should be current members of ACE UK. Applications are considered throughout the year and decisions on funding will be taken collectively by the officers of the society.

To apply, contact Michael Pollitt (m.pollitt@jims.cam.ac.uk) with a one page proposal.
